

# SHOW ME

## MISSOURI CITY NEWSLETTER

### #PLAYITFORWARD

City Manager Anthony J. Snipes, in collaboration with the Parks & Recreation Department, is excited to roll out a new “Show Me City” initiative—#PlayItForward—that is being put in place to not only celebrate the outdoors, but to also build the future of outdoor life.

This initiative follows the Council-approved Strategic Plan 2014-2019-2029 by accomplishing three objectives:

- Expand the leisure opportunities – such as programs, activities, and venues – in Missouri City;
- Expand opportunities to live a healthy and active lifestyle; and
- Maintain and upgrade City infrastructure such as parks, streets, and sidewalks

“This campaign will allow Missouri City to partner with our regional neighborhoods and individuals, giving them opportunities to sponsor City greenspace projects, thereby helping to reduce the burden on the budget and to enhance our local playscapes,” Snipes said.

### IT'S HURRICANE SEASON

**BE PREPARED & STAY ALERT:  
SIGN ON TO [WWW.MISSOURICITYREADY.COM](http://WWW.MISSOURICITYREADY.COM)**

The 2019 Hurricane season began Saturday, June 1 and runs through Saturday, Nov. 30. If disaster strikes, Missouri City's Emergency Operations Center (EOC) is ready to respond.

Residents and businesses in Fort Bend and Harris Counties are encouraged to sign up for emergency alerts on [www.missouricityready.com](http://www.missouricityready.com) and learn how to prepare supply kits and stock up on necessary items such as non-perishable food, water, flashlights, batteries, radios, first-aid kits, cell phones, chargers, maps and important documents.

While MCTX is designated by the State as a pass-through City for evacuees who live along the Gulf Coast, citizens are still encouraged to prepare themselves and stay aware of the potential for severe weather that can accompany tropical systems.

To emphasize the importance of preparing before a storm hits and to assist the public with getting ready for the 2019 Hurricane Season, MCTV produced several videos highlighting 7 key topics.

### FISCAL YEAR 2020 Building the Budget

Planning for next year's financial blueprint is under way. To ensure transparency throughout the process and to educate citizens, staff has prepared frequently asked questions on the topic.

#### **What are the major sources of funding for the City budget?**

Property taxes, sales taxes, franchise fees, charges for services, and bond proceeds

#### **Does the City rely on partners/stakeholders/grants to fund budget projects?**

The City evaluates all opportunities to partner with various stakeholders, grant agencies, and other governmental entities when considering funding sources for adopted projects.

#### **What is Missouri City's fiscal budget cycle?**

Oct. 1 to Sept. 30

## NOVEMBER 2019 GENERAL ELECTION TIMELINE:

In accordance with the Texas Election Code, the City will hold a General Election on Tuesday, Nov. 5 for Districts A, B, C and D. The first day to file for a place on the ballot is Saturday, July 20 and applications will be accepted on the next regular business day at 8 a.m. The last day to file is Monday, Aug. 19 at 5 p.m. Election Day is Tuesday, Nov. 5; for details, scan the QR code to the left.

**National Small Business Week:** Mayor Yolanda Ford welcomed guests at an exclusive Leadership Luncheon with local small business owners on May 6 to provide them information on access to capital and discuss valuable insights to help strengthen their companies. The event was hosted in partnership with Chase Bank to recognize National Small Business Week, May 5-11.

**Fort Bend Drug Symposium:** Mayor Pro Tem Chris Preston spoke at the Fourth Annual Fort Bend Drug Symposium on April 18. He also received an award for his leadership and partnership from the Fort Bend Community Prevention Coalition (FBCPC), which hosted the initiative.

**Edwards-Hayes Scholarship:** At-Large Position #1 Councilmember Vashaundra Edwards Councilmember Vashaundra Edwards joined Thurgood Marshall High School Science Department Chair, Dr. Anthony Ford Hayes to present an Edwards-Hayes Scholarship to senior Keyshon Limbrick for his outstanding achievements.

**Pulse of District A:** Councilmember Reginald Pearson hosted residents, businesses and staff for a District A town hall on Saturday, March 30. Staff addressed issues in area subdivisions such as economic development/redevelopment, infrastructure and public safety. Staff also provided insight on future projects in the district.

**What's the 411?** Councilmember Jeffrey Boney addressed guests, including citizens, businesses, stakeholders and elected officials, at the District B "411" Community Collaborative at the Community Center on Thursday, Jan. 31. Participants were able to visit with City staff on issues of interest and hear presentations on key topics/initiatives.

**District C Community Meeting:** Councilmember Anthony Maroulis met with citizens at his Community Meeting in the EOC Training Room on Thursday, April 11. Three local businesses: Brandani's, Old Hickory Inn and Wishbone Pet Care were recognized for their successes. Also, staff provided updates on economic development, infrastructure, public safety and more.

**District D Community Meeting:** Councilmember Floyd Emery addressed his constituents at a Community Meeting at the City Centre at Quail Valley on Thursday, May 23. Staff provided updates on priorities such as public safety, economic development/redevelopment, the Quail Valley Golf Course, Animal Shelter operations and more.

# KEEPING YOU INFORMED

## CITY COUNCIL ACTIONS

**1** Help keep storm water sewer systems free of lawn clippings, pet waste and debris. Please remind landscapers that it's against City ordinance to put pollutants in drains. And, individuals or yard crews should not blow clippings or leaves into the streets or in gutters.

**2** Residents and businesses pay \$50 per year to register alarm systems. City ordinance does not allow permits to be transferred to another person or premises. Permits are valid for a 12-month period from the date they are issued, and holders are given 30 days' notice of the expiration date and the need for renewal. To renew permits or obtain a new one, call 281.403.8643; pay online by going to the City website and clicking "Online Payments"; or mail a completed application to: City of Missouri City, Attn: Alarm Permitting, 1522 Texas Pkwy., Missouri City, TX 77489.

**3** All garbage, trash or yard waste can be placed on the curb at 6 p.m. the day before pickup. Empty trash cans must be stored out of public view by midnight the day of pickup.

**NOTE:** City Council approved two strategic code enforcement ordinances; learn more by visiting [www.missouricitytx.gov](http://www.missouricitytx.gov).

**4** Walkers and joggers can enjoy the golf course cart paths during these times:  
**Holes 1 through 9:** 6 a.m. to 7 a.m. daily and from 20 minutes after sunset to 11 p.m.; **Holes 10 through 18:** 6 a.m. to 8:30 a.m. daily and from 20 minutes after sunset to 11 p.m. **Pets are not allowed on the course.**

**5** City Code Enforcement Officers are citing residents straight to court for these violations:  
•**High grass or weeds, junk cars and dirty pools.**

For a second violation, the following will be cited to court:

•**Trash cans, yard waste or any type of garbage left out in public view, except during allowed times.**

**6** City Council approved a sidewalk policy to include the following provisions: Property owners should mitigate the roots of trees/landscaping prior to City repair of sidewalks; the City should not issue citations or liens against property owners to secure mitigation of root problems; and if root problems are not mitigated within 30 days of owners being notified, the sidewalk should be replaced by the City in order of priority based on severity by either edge grinding, slab lifting or with a crushed granite or similar material. The policy also states that in cases of tree root mitigation, if the property owners agree to indemnify the City for any loss, staff will mitigate the root problem and repair the sidewalk.

**7** City Council approved a no-smoking ordinance, including electronic cigarettes and vaping devices, that prohibits lighting up in most public places, including restaurants and educational facilities. Smoking is also banned in areas within 20 feet of the playing surface or competition area during a youth sporting event at a City park. Violations are subject to a fine of up to \$500.

**8** City Council passed a texting ordinance that bans motorists from using wireless communications devices to view, send or compose electronic messages while driving and when stopped at stop signs and traffic signals. Violations are subject to a fine of up to \$500.

**9** City ordinance stipulates where registered sex offenders may reside in the City; it establishes a 2,500-foot buffer zone around parks, schools, swimming pools, recreational facilities and other public places where children gather.

**10** City Council approved an ordinance requiring metal recycling and crafted precious metal dealers to obtain a dealer permit from the City. The law allows police officers or Staff to inspect such businesses and requires that all transactions be reported via a web-based database designated by the Police Department.

## DID YOU KNOW?

MCTX has a Drought Contingency Plan (DCP) in place to curtail water use during times of drought, water emergency and high usage that require conservation. A drought can happen any time of year, however, they are concerning during the summer months when irrigation and use are peak.

SCAN THE QR CODE TO LEARN HOW TO CONSERVE WATER

# READY...SET...GO!

HERE'S WHAT YOU NEED TO KNOW BEFORE THE STORM

## 7 KEY HURRICANE PREPAREDNESS TOPICS

**Determine Your Risk:** Based on your location, find out what types of wind and water hazards could happen in your area and make a plan now on how to handle them.

**Develop an Evacuation Plan:** Identify safe locations that are not prone to wind/flood threats that you can shelter in, if there is an evacuation order issued. Remember to account for your pets too, as most local shelters do not permit them. Make sure to put these locations and the plan in writing as well.

**Assemble Disaster Supplies:** Have enough non-perishable food, water and medicine to last each person in your family a minimum of three days. Also, remember to include extra cash, battery-powered radios, flashlights, batteries, maps, cell phones, chargers and other important documents.

**Get an Insurance Checkup:** Ensure that you have proper insurance coverage for your home, cars and boats. Standard homeowners insurance doesn't cover flooding; check with your insurance company/agent or the National Flood Insurance Program at [floodsmart.gov](http://floodsmart.gov) now if you think coverage is needed. Flood insurance requires a 30-day waiting period.

**Strengthen Your Home:** Make sure to trim trees that are too close to homes ahead of a storm. And, remember to secure loose objects that are outside, move vehicles to a safe location without blocking the streets and board up windows/doors including garage doors with proper plywood, steel or aluminum panels once there is a storm approaching.

**Help Your Neighbor:** Check on your neighbors and share the importance of preparing ahead of time, collecting supplies before the storm, assisting with evacuation if needed and checking-in after the storm passes.

**Complete a Written Plan:** Take the time now to write down your hurricane plan and share it with your family. Know where you will ride out the storm and get your supplies. Don't forget to keep all your important documents together for quick access and have photo documentation of all valuables.

## EMERGENCY CONTACTS

- Police and Fire Departments: 911 or 281.403.8700
- CenterPoint Energy: ([www.centerpointenergy.com](http://www.centerpointenergy.com)); 713.207.2222
- American Red Cross: Fort Bend County Branch: 281.342.9480 Greater Houston Branch: 713.526.8300
- Ready Harris: ([www.readyharris.org](http://www.readyharris.org)); 713.881.3100
- Enable Fort Bend: ([www.enablefortbend.com](http://www.enablefortbend.com)); 281.238.3514; the agency assists individuals with functional and medical needs

To watch the MCTV produced videos on these tips and to learn more about emergency preparedness, visit the City's Emergency Management website—[www.MissouriCityReady.com](http://www.MissouriCityReady.com).

"As the 'Show Me City' and the region witnessed during Harvey, hurricanes can produce heavy winds, storm surges, torrential rains, inland flooding and tornadoes," City Manager Anthony J. Snipes said. "It is important that along with our staff, citizens and businesses also prepare ahead of time, so that together as a City, we can withstand anything nature brings us this season."

WHEN INCLEMENT WEATHER STRIKES, WE ENCOURAGE CITIZENS TO FOLLOW THE CITY'S OFFICIAL COMMUNICATIONS TOOLS TO RECEIVE ACCURATE INFORMATION IN A TIMELY MANNER. THE SAFETY OF OUR CITIZENS IS A TOP PRIORITY AND ANY DECISIONS MADE DURING AN EMERGENCY WILL BE FIRST SHARED THROUGH THE OFFICIAL CHANNELS. TAKE ACTION NOW TO STAY ALERT DURING THIS HURRICANE SEASON.

- MAYOR YOLANDA FORD

## WHERE DO YOU FIND ACCURATE INFORMATION?

In a disaster, communication between the City and residents is key; we saw this first-hand with Harvey. Citizens are encouraged to follow the City's official websites and social media networks to receive timely, accurate information during any disaster.

The two main platforms used by staff to share real-time information is the MCTX Emergency Management website, [www.MissouriCityReady.com](http://www.MissouriCityReady.com) and the MCTX Twitter account, [Twitter.com/MissouriCityEM](https://twitter.com/MissouriCityEM). Residents may sign-up to receive alerts via both of these outlets.

To ensure that vital messages are available to the public at-large, information will also be shared on the following:

City's main website: [www.missouricitytx.gov](http://www.missouricitytx.gov)

Facebook: [fb/MissouriCityTX](https://facebook.com/MissouriCityTX)

Twitter: [@MissouriCityTX](https://twitter.com/MissouriCityTX)

Municipal Television Station: **MCTV** (Ch. 16 on Comcast and Ch. 99 on AT&T U-verse)

Radio Station—**1690 AM** and **Nextdoor**.

For more information on this hurricane season, scan QR Code.

- ☒ Discuss the plan with family
- ☒ Have copies of critical documents

# CAPITAL IMPROVEMENT PROGRAM UPDATE:

## PROJECTS TAKING PLACE CITYWIDE

**Independence Segment 1 / Staffordshire:** Reconstruction of the existing 2-lane concrete roadway into a 4-lane divided concrete curb and gutter roadway from the Gulf Coast Water Authority Bridge, realigned to meet the intersection of Staffordshire and Independence. Staffordshire Road consists of reconstructing the existing 2-lane asphalt roadway into a 2-lane concrete curb and gutter roadway. Freese & Nichols, Inc. performed the design. Estimated Cost: \$7.5 million; Fort Bend County Mobility Bond Program will fund 50% of this project.

**Independence Segment 2:** Reconstruction of the existing 2-lane concrete roadway into a 4-lane divided concrete curb and gutter roadway, utilizing the existing closed conduit storm system from Moore Road to South Revolution Way. Council authorized CP&Y for the design. Construction is estimated to bid in the summer of 2019. Estimated Cost: \$2.5 million; Fort Bend County Mobility Bond Program will fund 50% of this project.

**Corridor Enhancement:** Installation of reader/monument signs at four locations throughout the City, as well as, landscape and site work enhancement on the Texas Parkway and Cartwright

Road Corridors and the City Hall Entry at Texas Parkway. TBG Partners was selected to perform the design, which is currently ongoing. Plans are under way for Texas Department of Transportation to bid out the landscaping and planting portion of the project in the summer 2019. TxDOT will provide a percentage of funding for this part of the project. The reader/monument signs and City Hall Entry will be bid separately over the next 2 years. Cost: \$2.5 million

**Fire Station #6:** This project is to design and construct a fire station to serve the Lake Olympia area toward the Fort Bend Toll Road, per the fire station location study. Council authorized Martinez Architects to perform design.

**Glenn Lakes Bridge Reconstruction over Oyster Creek Tributary:** Reconstruction of the bridge using current engineering design standards. GC Engineering has been selected for design. Estimated Cost: \$1.8 million; Fort Bend County Mobility Bond Program will fund 50% of this project.

**Knight Road Extension:** Extension of Knight Road from the Fort Bend Toll Road to McKeever Road. Kelly R. Kaluza and Associates, Inc. was selected for design, which is currently ongoing. Estimated Cost: \$6 million; Fort Bend County Mobility Bond Program will fund 50% of this project.

**Regional Surface Water Treatment Plant Phase II Expansion:** As part of the City's Master Planned Expansion Process, it was determined that current and projected production rates along with demands, have made it necessary to expand the plant from 10 MGD to 20 MGD to meet future development consumption needs. eHT performed the design and construction began in March 2019. Construction Cost: \$14 million.

Mayor Ford and Councilmember Boney joined staff on Monday, May 13 to celebrate the phase II groundbreaking for the plant on Bees Creek Court. RSWTP is the City's largest CIP project to-date.

# BUDGET FAQ

CONTINUED FROM THE COVER...

The budget provides a comprehensive annual financial plan of all City funds, expenditures and activities. In addition, the City budget outlines the proposed financial policies of the City for the ensuing fiscal year, describes the important features of the budget, and indicates any major changes from the current year. The adopted tax levy, including debt services, are outlined in the City budget.

### How does the City's budget planning process work?

Staff prepares budget preparation documents in alignment with Council's priorities and the City's Strategic Plan. Departments will meet with Financial Services and City Manager's office to discuss budget requests as well as any supplemental and capital budget requests. As scheduled in the budget process, the City Manager will review all departmental budgets requests and make any adjustments that are deemed appropriate. The City Manager, Assistant City Managers and Department Directors will meet with Financial Services and the Council Finance and Services Committee, which includes three Councilmembers, to discuss various items in the proposed budget, and to address any items that are of concern. These meetings are held prior to the submission of the proposed budget to

Councilmembers. Management, with assistance from the Financial Services Department, completes the proposed budget to submit to City Council for consideration in August.

### How can citizens provide input and feedback for the budget?

During the budget process, citizens will have the opportunity to provide feedback during public input sessions with City Council and staff. Watch the website for details.

### Where can citizens view the City budget and other financial documents?

The documents may be viewed on the City website on the Financial Services Department webpage at [www.mctxfinance.com](http://www.mctxfinance.com).

### How does the City prioritize funding for projects each year?

Based on the City's Strategic Plan, Council's priorities and available funding.

### When will public hearings and final adoption for the FY2020 budget take place?

It is estimated that public hearings and final adoption will be in September 2019.

# Fight The Bite!

Spraying Taking Place Citywide

In recent weeks, citizens have raised questions about the City's mosquito control program and spray schedule. To address residents' inquiries, staff compiled a list of frequently asked questions in relation to this topic:

### Does Missouri City have a program to manage local mosquito populations?

Yes; the City has a strategic program in place that is targeted to work toward environmentally friendly control of adult mosquitoes and prevention of breeding sites. The contractor is Cypress Creek Pest Control and their agreement requires that four to five trucks spray every Thursday from 9 p.m. to 5 a.m. beginning each year in May through the first week of November.

Spraying covers all streets and neighborhoods within City limits, including the private streets of communities that have provided a gate code for accessibility by the spraying contractor. Also, in addition to the contractor's cycle, City staff sprays common areas where mosquitoes swarm like parks, green spaces, and the Quail Valley Golf Course.

### When the mosquito population increases, how does the City respond?

Staff monitors the issue, and when necessary, additional spray days are added for communities and greenspaces citywide.

Scan the QR code to learn more about the program.

# NEIGHBORHOOD NEWS

**TEST YOUR SKILLS AT THE NEW SKATEPARK!**  
If you and your family love to bike, skate or board, this new recreational venue in Community Park, 1700 Glenn Lakes Lane, is a great place to play!

**FORT BEND COUNTY LIBRARY: MISSOURI CITY BRANCH**  
The newly renovated three-story facility, located in the City Hall Complex, reopened on June 1 and now includes a watch tower, community meeting rooms, study rooms, a puppet theater, and a computer lab. For more information, call 281.238.2100.

**BILLY'S DONUTS, 7022 HWY. 6 STE. 800**  
This family-owned business made international headlines; read about it on our social media networks.

Here are some other companies that have also opened their doors this year in the "Show Me City":

Bernie's Burger Bus, 6324 Hwy. 6	Jamba Juice, 9303 Hwy. 6 Ste. 100
Comcast, 551 Buffalo Lakes Dr.	Lupe Tortilla, 9211 Hwy. 6
Fairfield Inn Suites, 3533 FM 1092	Learning Experience Daycare, 3451 FM 1092
Harvest Natural Market, 4603 Sienna Pkwy.	Sacred Leaf Zero, 5201 Hwy. 6, Ste. 575

## Progress On Future MCTX Veterans Memorial

4 major developments on the project occurred recently:

1. The Missouri City Parks Foundation and staff received confirmation that Wells Fargo committed to be an exclusive \$100,000 banking sponsor.
2. MCPF and staff launched the Memorial Paver Project. Customized pavers will lead up to the monumental tribute and this initiative provides an opportunity for individuals, families and organizations to "Honor or Remember" a veteran with a 4" x 8" engraved concrete brick; they cost \$300 each.
3. At their Monday, July 1 Regular Meeting, Councilmembers authorized an economic development agreement between the Reinvestment Zone No. 1; the City of Missouri City, Texas; and the Missouri City Development

Authority (MCDA), pertaining to the development and construction of a veteran's memorial and a parks maintenance facility. This agreements allows TIRZ No. 1 to reimburse \$250,000 for the Memorial. View details in the July 1 MCDA meeting agenda packet on the City website.

4. At their Monday, May 20 Regular Meeting, Councilmembers authorized City Manager Snipes to negotiate and execute a contract with LMA Design, LLC. for design of the memorial. View details in the meeting agenda packet on the City website.

To learn more about the future memorial, to make a project donation or to purchase a paver, call 281.403.8638.

## QUAIL VALLEY GOLF COURSE MOVES FORE-WORD!

On Friday, April 19, the award-winning QVGC surpassed its record for most golfers in one day with 411 players registering for tee times. The previous milestone of 410 golfers was set on March 30, 2018. To play the competitive La Quinta and El Dorado courses, visit [www.golfquailvalley.com](http://www.golfquailvalley.com).

If you need expert instruction, QVGC has a golf Master on-site: In 2018, Richard Brown III earned the prestigious designation of PGA Master Professional, making him 1 of only 372 golfers to achieve this level—and the first African-American to achieve this status—since the program began in 1969. Schedule a lesson with Brown by emailing him at [rabfore@icloud.com](mailto:rabfore@icloud.com) or calling him at 832.457.5119.

# PLAY IT FORWARD

CONTINUED...

Missouri City is known for being a safe, platinum scenic city and the award-winning greenspaces throughout the area play a key role in maintaining this designation. More than 20 parks and 14+ miles of trails wind through our communities, providing infinite ways to enjoy the outdoors, and #PlayItForward will help to showcase these amenities.

specified projects come to fruition and that they showcase commercial partnerships with the City.

"We will emphasize that when you #PlayItForward, you further cement your legacy in Missouri City," said Parks & Recreation Director Jason Mangum. "And that whenever somebody visits the sponsored greenspace, they will know that they are enjoying the space because of your generosity."

As part of the City's commitment to parks' initiatives, M2L Associates Inc. was engaged in 2018 to perform a "Park Facilities Assessment Management Plan" and the findings will be useful in this new campaign.

For more information on the #PlayItForward campaign, please visit [www.mctxparks.com](http://www.mctxparks.com) or email Mangum at [jason.mangum@missouricitytx.gov](mailto:jason.mangum@missouricitytx.gov).

**DID YOU KNOW? JULY IS NATIONAL PARK & REC MONTH! CHECK OUT**  
**WWW.MCTXPARKS.COM FOR SPECIAL PROGRAMS AND UPDATES.**

## PUBLIC SAFETY UPDATES

Citizen education and engagement helps maintain our safe streets and continues to be a top priority. Did you know about these great Public Safety programs?

**Car Seat Safety Check:** Certified technicians will inspect car seats for proper installation and safety. Free to the public; appointment needed.

**The Missouri City Police Department Mini-Station is Moving:** Staff is currently finalizing details to relocate the public safety outreach facility from its first location at 2703-A Texas Pkwy. to the Wells Fargo Bank Office Building at 2440 Texas Pkwy. Strategic benefits of the site change are: more public visibility for the

station and first responders who staff it, newly renovated space in a prime commercial office building along the corridor, and presence near business centers that the City is focusing on for economic development/redevelopment.

**Community Engagement Truck:** MCFRS also attends community events with the truck and gives fire safety presentations upon request.

Learn about these initiatives and others by visiting [www.missouricitypolice.org](http://www.missouricitypolice.org) and
